

FreshJarLids™ Kit

FreshJarLids

Fresh:

- An innovative addition to the concept of vacuum sealing.
- Preserves jarred foods three to five times longer.
- Achieve grocery store freshness every time you seal and reseal.
- Hear the “whoosh” that tells you the contents are fresh every time you open your jar.

Convenient:

- Transforms nearly every jar into a vacuum sealing container.
- Fits over 90% of grocery store jars.
- Seals and reseals in seconds!
- Keeps jars in the door of your refrigerator where they belong.

FreshPump

Mobility and Convenience:

- Take your FreshPump anywhere you take your food!
- Have fast, fresh food without fast food restaurants.
- Seals without outlets, cords, or attachments.

Smart Engineering:

- Your VacuWare FreshPump gives you a perfect seal anytime, anywhere.
